

The Water Authority of the Cayman Islands

Invitation To Tender

Tender No.: CTC/08-09/CWA/034

Project Scope: The Water Authority of the Cayman Islands invites eligible Contractors to submit a tender for the supply and erection of two (2) factory-coated bolted steel storage tanks.

Description of Services: The Works comprise the supply and erection of two (2) glass-fused-to-steel bolted-steel storage tanks, suitable for the storage of potable water, each with a storage capacity of no less than 2 million US gallons, with a reinforced concrete base and an aluminium geodesic dome roof: One tank to be constructed at the Red Gate Water Works Site in George Town, the other tank to be constructed at the North Side Water Works Site in Frank Sound.

Eligibility: Interested firms must meet the following eligibility criteria in order to be considered and evaluated:

- a. Companies must comply with all applicable local laws and regulations, including business regulations.
- b. Companies must satisfy all insurance, financial, and bonding requirements as specified in the Contract Documents
- c. Companies must provide municipal references that will confirm the company's performance and quality on five (5) completed projects covering the provision and installation of bolted-steel tanks of sizes similar to those contained in this project.
- d. Field erection of the tanks must be performed by a factory authorized (sub)contractor, regularly engaged in the erection of these tanks, using factory trained erectors.
- e. The job installation superintendent/foreman must have at least 5 years of documented experience erecting bolted steel tanks of sizes similar to those contained in this project.
- f. Tenderers are reminded that the bids should be inclusive of all costs necessary for them to conduct business in the Cayman Islands.

Evaluation: The criteria for evaluation will be included in the tender documentation.

Collection and Access to Tender Documentation: Complete tender documents, including Instructions for Tendering can be collected from the Deputy Director, Water Authority, 13G Red Gate Road, George Town. Tender documents will be available from Friday 10 July 2009.

Return of Tenders: The tenders are to be returned no later than 12:00 pm on Friday 21 August 2009 in a sealed envelope to:

The Secretary of the Central Tenders Committee
Government Administration Building
71A Elgin Avenue, George Town
Grand Cayman KY1-9000

Late tenders will not be accepted.

Further information: For additional information contact the Deputy Director **Tom van Zanten** at tom.vanzanten@waterauthority.ky , phone 949-2837 ext 3000 or by fax at 949-0094.

The Water Authority will not defray any cost incurred by tenderers. The Water Authority shall not be bound to assign any reason for not accepting any tender.
