

The Water Authority of the Cayman Islands

Invitation To Tender

Tender No.: CTC/08-09/CWA/025

Project Scope: The Water Authority of the Cayman Islands invites eligible Contractors to submit a tender for the **closed-circuit television inspection and structural liner repair of the West Bay Beach Sewerage System.**

Description of Services: The Works comprise the initial cleaning and closed-circuit television inspection of the entire public sanitary sewerage system (total length approximately 50,000 linear feet). Damaged pipeline sections, identified by the CCTV survey, must be repaired using one of the approved internal repair methods.

Eligibility: Interested firms must meet the following eligibility criteria in order to be considered and evaluated:

- a. Companies must comply with all applicable local laws and regulations, including business regulations.
- b. Companies must satisfy all insurance, financial, and bonding requirements as specified in the Contract Documents
- c. Companies must be licensed by the pipe rehabilitation system manufacturer as an installer of their system and must have at least five (5) years experience in the installation thereof.
- d. Company's key personnel must have a minimum 50,000 linear feet of documented experience installing the proposed liner material.
- e. Personnel operating CCTV camera equipment must hold current certification by the NASSCO Pipeline Assessment Certification Program (PACP).
- f. Tenderers are reminded that the bids should be inclusive of all costs necessary for them to conduct business in the Cayman Islands.

Evaluation: The criteria for evaluation will be included in the tender documentation.

Collection and Access to Tender Documentation: Complete tender documents, including Instructions for Tendering can be collected from the Deputy Director, Water Authority, 13G Red Gate Road, George Town. Tender documents will be available from Friday 27 March 2009.

Return of Tenders: The tenders are to be returned no later than 12:30 pm on Friday 15 May 2009 in a sealed envelope to:

The Secretary of the Central Tenders Committee
Government Administration Building
71A Elgin Avenue, George Town
Grand Cayman KY1-9000

Late tenders will not be accepted.

Further information: For additional information contact the Deputy Director **Tom van Zanten** at tom.vanzanten@waterauthority.ky , phone 949-2837 ext 3000 or by fax at 949-0094.

The Water Authority will not defray any cost incurred by tenderers. The Water Authority shall not be bound to assign any reason for not accepting any tender.
